

## CLASS 7

*Language plays an important role in all round development of a student. Appropriate words with correct spelling conveys right message.*

Spelling is important because it aids in reading. Keeping this in mind, we at St. Augustine's School had organised a "SPELLING BEE" competition to give students a platform to learn spellings in different ways and enrich their vocabulary.

The competition was organised on 29<sup>th</sup> January 2021 with the 5 finalists out of 20 participants. The event was organised and executed by Ms Sweedle Colaco and MS Venecia Naik. In the presence of the invited audience of class 7<sup>th</sup> students and our Middle School Co-ordinator Ms Joyce Pinto a four round online event was conducted.

Round 1: Rapid fire

Round 3: Word Search

Round 3: Word Buster

Round 4: Tricky Spelling

AYUSH RANE from class 7C emerged the the Best Speller).

The competition made students aware of spellings and the usage of many unfamiliar words. It was a wonderful learning experience not only for the participants but also for their peers.
